RE: KCCCI BUILDING FUND RAISING

The Klang Chinese Chamber of Commerce and Industry (KCCCI) was founded as a non-profit organization 71 years ago. Due to its increasing memberships and frequency of activities in recent years, its existing premises are no longer adequate. In view of this, the Chamber has decided to acquire a more spacious building to cater for its future development needs.

2. The Chamber's Council has resolved to acquire three (3) units of shop lots adjacent to the Chamber's existing premises to house its office. The new building has a total built-up area of approximately 18,000 square feet and a number of parking bays.

3. The purchase price of the new building totals RM4.20 million. This together with the miscellaneous expenses and renovation cost will amount to about RM6.0 million, which is the sum to be raised by the Chamber. The total area of the ground floor of the new building measures some 6,000 square feet which will be leased in future to generate income for the Chamber to be self-sustained and for funding the Chamber's future activities.

4. The Chamber sincerely appeals to its members, the business community and well-wishers to contribute generously towards its fund raising drive to realise its planned acquisition of the new building. With bigger, and more spacious premises, the Chamber will provide better and more effective services to its members, thereby uplifting their business competitiveness. The new premises will offer a more conducive space for members to conduct their activities.

5. In view of the substantial cost for acquiring the new building and related cost, we sincerely appeal to you to contribute towards our fund raising efforts to achieve our goal for the common benefits of members. We enclose herewith a copy of our Building Fund Contribution Form for your attention. We look forward to your favourable response.

We truly appreciate your support and generosity. Should you have any queries, please feel free to contact our Secretariat at Tel: 03-3343 8450.

Warmest regards

Dato' Lim Kuang Sia
