□

Taiwan Overseas Community Affairs Council (OCAC) will be organising the 2016 Financial Management Training Course from 21st March to 1st April 2016 with the objectives to enhance business management ability, assist in mastering the global changing business environment and strengthening financial management expertise. Programmes include financial statement analysis, asset and risk management, case studies and visit to related companies.

□

Eligible participants are those interested in enhancing business performance and improving financial management ability, aged between 20 - 65 years old and well versed in Mandarin. Each company and family can only send one participant.

□

OCAC will pay for lunches (excluded Sunday), course fee and administrative charges during the course. □Participants are required to pay for their own return air fare, meals, accommodation and other own expenses. □

□

Please refer to attachments for brief introduction and registration form.

□

Constituent Chambers are kindly requested to disseminate the information to members. Interested members are requested to return the duly completed registration form to ACCCIM Secretariat by 22nd January 2016 to facilitate arrangement. □Uncompleted submission and/ or late submission will not be entertained. □
