Taxation Issues 2016

ACCCIM Survey on SME

□

马来西亚自2015年4月1日开始全面实施消费税迄今一年，中总希望借此调查，了解国内中小企业所面对的各项税务相关课题，以及有关问题是否影响营运成本，以提呈政府相关部门及机构，寻求可行的解决方案。

It has been one year since Malaysia implemented Goods and Services Tax (GST). □Through this survey, ACCCIM hope to collect taxation issues encountered by SMEs whether these issues effect on cost of doing business in order for ACCCIM to submit to the relevant Government Ministries and Agencies so as to seek measures to resolve these issues. □
