

WESGRO “cape town & western cape tourism, trade & investment” agency South Africa, is hosting a Trade Mission on Wednesday, 18 January 2017 to showcase South African premium and consumer-grade processed products. The exhibiting companies are:

□

- □ □ □ □ Recent domestic and or international Award Winners in their field of product;
- □ □ □ □ Showcasing South African agro-processed exports, especially world quality halal certified foods and non-alcoholic wines and juices, coffee and nuts etc; and
- □ □ □ □ Showcasing South African cosmetics that are also alcohol and animal-cruelty free.

□

There will be One-to-One Business Meetings (B2B) for the 7 exporters from South Africa who, in addition to marketing their products, may also wish to appoint agents or distributors in Malaysia. □ These exporters’ market products are all in the agro-processing sector: truffle honey, truffle mushrooms, mayonnaise, wheat munch bowls, sparkling juice, sauces, coffee pods, tree nut spreads and aloe skin care products.

□

At the early morning investment seminar, WESGRO will be outlining some of the advantages in investment, trade and tourism in the Cape Town and Western Cape region. This region has a rich cultural diversity and impressive natural endowments, with global scale development initiatives in, inter alia, the oil and gas, marine transport, and manufacturing sectors.
