

Thailand will host the 5th Thailand Halal Assembly 2018, under the theme of "Precision Halalization in Bioeconomy Era", on 14-16 December 2018, at Bangkok International Trade & Exhibition Center (BITEC). The Thailand Halal Assembly is the country's biggest Halal event organized annually by the Central Islamic Council of Thailand (CICOT), in collaboration with the Halal Standard Institute of Thailand and the Halal Science Center Chulalongkorn University. The objective is to showcase the quality and great variety of Thailand's Halal products developed under the principle of "Shariah Certifies, Halal Science Supports". This year, the 3 days event comprises several interesting activities, including:

1. Halal Science, Industry and Business International Conference: 11th HASIB 2018
2. Halal Certification Bodies Conventions
3. Thailand International Halal EXPO 2018 (TIHEx)
